

The Price for Freedom {spiritually & legally}

Elder Debbie Starks teaching concerning "Juneteenth" ... when everyone knew they were freed.

This teaching will not be overly scriptural but it is basic wholly on the Word of Truth.

What is the basic truth:

Faith- the measure has been given to everyone to hope.

Grace- the kingdom's assistance to help to achieve where we fall short.

Victory - the desired end

Our focus text; everytime God gives the people of color a spiritual window WE make it into a BLack Movement Cause and miss the spiritual window.

EXODUS 13: 1-3 [read]

The children of Israel were in slavery under many Pharaohs for 430 years. They were in every state of Bondage and Punishment in the many HOUSES of BONDAGE . Sexual slaves, prostitution, hard labour, hunger, starvation, men and families separated to be used in any imagination of their captives. Some were used for sacrifice to the idols of Pharaoh and Egypt.

The window of deliverance opened and two servants were entrusted to move in 'TIME'.

Pharaoh said to the servants of God the slaves will remain but you can go in the desert and worship or whatever it is you feel you must do to please your GOD. This negotiation went on for a season between the servants of GOD , pharaoh and the GOD of everything.

Finally GOD gave Pharaoh one LAST opportunity to let his people GO !!

It took GOD taking a HIGH- PRICE for the freedom of His Son Israel....

As it was during the slavery of Israel the HIGH _ PRICE was paid [death of the FIRST BORN] yet once again the enslavement of a people happened in every nation of mankind all through the world .

People of color have had many windows of escape and as many songs of overcoming with marching and unity, still we can not walk through the open door of salvation both spiritually and physically . Becoming enslaved in different **HOUSES OF BONDAGE** .

House of Drug

House of abuse

House of fears
House of murder
House of incest
House of brokenness
House of regret
House of darknesses

AND like the children of Israel they brought their bondage with them and caged themselves .

Bible says:

The Law was given by Moses

But GRACE and TRUTH came THROUGH JESUS THE CHRIST.

[JOHN 1:17]

Grace and TRUTH paid the price for freedom, spiritually and physically.

Truth makes you FREE. [john 8:32]

Thus the writing of the Apostle Paul whether in chains, bonded or free. Truth is we are free spiritually and physically because the PRICE OF FREEDOM HAS BEEN PAID IN FULL .

This truth makes us free indeed.
